\$ \_\_\_\_\_ .00 USD Hunt Price

The hunt price includes pick-up and drop off at your hotel in Saskatoon, Provincial sales taxes, deer skinning, caping, and boxing for transport, meals and lodging at camp, guiding and transportation during the hunt, and pre-baited stand locations. The hunt price does not include air travel costs to Saskatoon, hunting license, firearm permit, goods & services tax, meat processing, or additional accommodations prior to and after the hunt. A \$1,000.00 USD deposit is required to reserve your spot. No spot is secure without a deposit. Your deposit is non-refundable unless the hunter or outfitter is able to find an alternate hunter to fill the same time slot. Balance of the hunt price is due October 31st. There are no refunds if the client arrives late or leaves early for any reason or doesn't make it here for the hunt. There is no discount of the contracted price if the client drives to camp or rents a vehicle and therefore doesn't require pick-up in Saskatoon. If you plan to leave camp early after harvesting an animal you will need to rent a car at the airport and drive to camp so you can leave when you wish. We respect the rules and regulations of hunting in Saskatchewan and require our clients to do the same. Any client who does not harvest a deer will receive a \$500 credit towards a hunt booked with us in the immediately following year only.

In consideration of Highland Outfitters permitting the undersigned to use its hunting facilities and services, the undersigned on his behalf and on behalf of his heirs, executors, and administrators hereby absolutely and forever releases and discharges Highland Outfitters, its employees, agents, assigns, officers, directors, and independently contracted guides from all claims of any kind whatsoever, whether at law or in equity, which the undersigned has had or now has or otherwise hereafter can, shall, or may have for or by reason of personal injury, loss of income, and all loss or damage to personal property in respect of, or arising out of, said use of the hunting facilities and services including the transportation to and from the hunting facilities as well as all matters relating to the undersigned hunting with Highland Outfitters.

In further consideration the undersigned hereby authorizes Highland Outfitters to take photographs of the undersigned and any harvested animals and to use such photographs for promotional advertising of Highland Outfitters. Furthermore the undersigned acknowledges and accepts that the services of Highland Outfitters are performed on a "best effort" basis and that there is no guarantee with respect to the size, quality, species, or number of animals that will be harvested or observed during the contracted hunt.

By signing below the undersigned also acknowledges that he or she has read, understands, and agrees to all our camp policies and conditions of booking.
