4) REGISTER FIREARMS (after flights are booked) Questions? 1-306-975-4755

Download, Print, Fill Out Firearms FAX Cover Sheet & Non-Resident Firearms Declaration RCMP GRC 5589. FAX pack with you according to the following:

(The Canadian Government charges a \$25.00 CDN fee for the temporary firearms license valid for 60 days. You will need a valid credit card to pay for this directly yourself.)

If **FLYING** directly to Saskatoon from US: **Fill out BOTH the Firearms Fax Cover Sheet & Non-Resident Firearms Declaration RCMP GRC 5589. Sign & FAX to 1-306-975-5917 PRIOR** to arrival; the sooner in advance after booking your flight, the better for you!! *If your flight into Canada is to any other airport, call us for info.*

If **DRIVING** your own vehicle to camp: **Download, Print & Fill out form, Sign & PACK the completed Non-Resident Firearms Declaration RCMP GRC 5589 form & PRESENT** completed form to Canadian Border Guard Security when you arrive at the border crossing.

5) Want to Fish too while Bear Hunting? Rent a CAR in Saskatoon

There are options for shore fishing trips close to camp. We don't include guided fishing trips as part of our bear hunting package, but we will certainly ensure you get on the safest route to whatever local fishing hole you choose. Options range from a river with brook trout a mile from camp, or a stocked rainbow trout pond a few miles out, or lakes filled with walleye and pike further away. If **fishing on your own** is of interest to you, then you'll want to rent a vehicle for the week when you arrive in Saskatoon. Given that the bear hunting takes place late in the day, mornings can give you the time to strike off on your own fishing. Fishing on your own is also a great option for your remaining days at camp after you fill your bear tag. Renting a car also gives you the ability to leave camp early should you tag out early and wish to fly home from Saskatoon sooner.
